In 1967, Manuel Capo and his family opened a furniture store in Miami called El Dorado, named for the boat on which they'd escaped from Cuba. Today, it's a company with hundreds of employees and multiple stores across Florida. Find one near you and learn more about the business.Visit the El Dorado Furniture WebsiteThe easiest way to find your local El Dorado Furniture store is to visit the company's website at Eldoradofurniture.com. On the top right corner of the homepage, you'll see a tab that says "Our Stores." Click on it, and you'll arrive at a page that provides you with two ways to find the store closest to you. First, you can put in your ZIP code, and click "find your store." The website will take you to the page for the closest store and tell you how many miles away it is. The other option is to simply look at the list of stores provided on the "Our Stores" page. They're separated by county, and the page also lists any new stores that are opening soon.View Store DetailsEl Dorado Furniture has stores in seven Florida counties as of February 2019, including Miami-Dade, Broward, Palm Beach, Seminole, Pinellas, Lee and Collier. Most are located in Broward and Miami-Dade. Choose the store that is closest to you from the list, and click on the name. The site will take you to a page for the store that provides important information, like the store's address, hours and phone number. There is also an interactive map for each store.Shop OnlineLike many retailers these days, you don't have to find your local store to shop for furniture. You can also shop online at the El Dorado Furniture website for everything you need for your home. You can also browse and save your favorite items for later or so you can look for them in stores. In addition to regular items for sale, the online shop offers sales much like you'd find in stores.What Does El Dorado Furniture Sell?Of course, El Dorado Furniture sells furniture for practically every room in the house. Shop for beds, nightstands and dressers for your bedroom. Check out dining room sets and desks for your home office. El Dorado has a large selection of leather furniture and sofas, chairs and accent furniture for your living room. You can even shop for some home accessories, like clocks, rugs, mirrors, candleholders, wall art and other decor items.History of El Dorado FurnitureAs of February 2019, El Dorado Furniture is one of the larger and more well-known Hispanic-owned furniture companies in the United States, notes the retailer's website. It all started in 1967 when founder Manuel Capo fled Cuba with two of his seven sons. He was an experienced furniture maker and opened the first store with a \$10,000 loan from the Small Business Administration. Capo learned the furniture trade from his father, Simon, who opened his own furniture retail and manufacturing store in Cuba before Castro took over all private enterprise. While Capo died in 2009, his sons and many of his grandchildren still keep the company alive today. MORE FROM QUESTIONSANSWERED.NET
